About the Hosts

Hi!

Thank you so much for staying at our family beach villa's!

Right here is where our family spends our weekends and holidays. It's a special place for us - full of good times, birthdays, anniversaries, weddings and most importantly, fun and laughter! We love this place and hope that you will love it just as much as we do!

When we are not here, we run our family construction business in town. We work here, live here and play here; Zanzibar has been home for us since the beginning and we wouldn't have it any other way!

Thank you again for choosing us, and we look forward to welcoming you to Kena Beach Villas!

Sincerely,
Kena Family
